We will welcome important delegates from Koyasan, as well as teachers and instructors from the Associations of the Koyasan Religious Dance, Kado Koyasan and Koyasan Kongo-Ryu Goeika, to perform in the Eye Opening Ceremony of the 600 volumes of the Dai-Hannya Sutra and Goma Service. Please join us in the celebratory service held in the grand tradition of the Koyasan Shingon Sect.

The teachings of Odaishi-sama continue to be propagated in North America for the happiness of the congregation, regardless of your religious affiliation. Please take this opportunity to make a deep connection with the Buddha and Kobo Daishi.
