

KOYASAN BEIKOKU BETSUIN OF LOS ANGELES

高野山米国別院

December 2022

Dear Members and Friends,

The year-end is approaching, and we hope that you are all doing well. As in the past, we express our gratitude to Bishop Matsumoto and Temple staff by presenting to them with a token of appreciation (oseibo) for their dedicated service during the year. We will be grateful for whatever contribution you can make toward the Oseibo.

All oseibo donations will be collected as a whole for the ministers, staff, and the Temple. The Board of Directors will determine the appropriation of the collected donations. We request that one check be written to "Koyasan Beikoku Betsuin of Los Angeles" with "Oseibo" on the memo line. We have enclosed a return envelope for your convenience.

On behalf of Koyasan Beikoku Betsuin, I express our warmest wishes for the holidays and a Happy New Year. Due to the strong support from our members, minister, staff, and friends, the Temple successfully made it through another year. We look forward to your continued attendance, support and participation at our services and programs.

With Gassho,

Richard Narumi, President

***In regards to attending the service**

Only temple members that have paid membership dues can reserve seats for the New Year's Service. Reservations can be made by email or phone. Please contact Regina at lakoyasan@yahoo.com or 213-624-1276. Since the number of seats is limited, please reserve as early as possible. Please note that the doors to the main hall will be closed promptly at 10:00 am or earlier if the main hall is filled to capacity. Temple members will also receive a Hamaya from the Betsuin on New Year's Day. The end of the year and the beginning of the new year are full of events at the temple. Each event has an important meaning. Please spend the end of the year being thankful for the year that is passing, hopeful for the year to come, and grateful for the fact that we are alive today.
